# Journal of Pediatrics Review (JPR)

## Aim & Scope

Journal of Pediatrics Review (JPR) compiled by Mazandaran University of Medical Sciences, Sari, Iran with acceptance for inclusion in Thomson Reuters' index Web of Science Emerging Sources Citation Index (ESCI) since 2016 is an international, biannual, peer reviewed and open access journal that publishes papers focusing on review articles in pediatrics.

Authors are invited to submit their review articles in the field of pediatrics. The journal publishes review articles including but not limited to the following fields:

- Adolescent Medicine
- Pediatric Infectious Diseases
- Developmental Pediatrics
- Pediatric Intensive Care
- Pediatric Allergology
- Pediatric Nephrology
- Pediatric Cardiology
- Pediatric Neurology
- Pediatric Dermatology
- Pediatric Respiriolygy
- Pediatric Endocrinology
- Pediatric Rheumatology
- Pediatric Gastroenterology
- Pediatric Surgery
- Pediatric Hematology and Oncology
- Medical genetics
- Neonatology

This scholarly journal will be published biannual and is hoped that through hard efforts JPR could remain a valuable reference and resource for those researching and undertaking pediatrics studies.

Editor in Chief  
Javad Ghaffari, MD  
Mazandaran University of Medical Sciences, Sari, IR Iran
